- \*At least 1 number
- \*Does not contain your username*

# Accept the terms

## IRBNet: Individual User Terms of Use

To register on IRBNet, you must read and agree to these Terms of Use, including any future amendments (collectively, the "Agreement").

### 1. Acceptance of Terms.

This Agreement governs your participation as an individual user of IRBNet. IRBNet is a service provided by Research Dataware, LLC and both the company and service name are used interchangeably in this Agreement. In addition, when using particular IRBNet owned or operated services, you shall be subject to any posted guidelines or rules applicable to such services which may be posted from time to time. All such guidelines or rules are hereby incorporated by reference into this Agreement. IRBNet may also offer other services that are governed by different Terms of Use.

If this Agreement or any future changes are unacceptable to you, your sole remedy is to terminate your use of the Service. If you do not accept and abide by this Agreement, you may not use the services offered by IRBNet. By accessing or using the Service, you confirm your acceptance of, and agree to be bound by, this Agreement and any future changes to this Agreement. You agree to use the Service only in accordance with this Agreement. Nothing in this Agreement shall be deemed to confer any third party rights or benefits.

### 2. Modification of Terms.

Although we may attempt to notify you via your submitted e-mail address when major changes to the Agreement are made, you should visit this page periodically to review these terms. IRBNet may, in its sole discretion, modify or revise these terms and conditions and policies at any time without notice to you, and you agree to be bound by such modifications or revisions.

### 3. Description of Service.

IRBNet is a web-based application (the "Service"). You understand and agree that the Service may

# You will be asked to provide a recovery email

## Account Recovery Information

### Recovery Email Address and Phone Number

Please provide an email address and phone number where you can receive account recovery and security messages. Your Recovery Email (required) should be an email address that is accessible to you even if you are **not** logged in to your institutional network. Your Recovery Phone (optional) should be a phone number capable of receiving text messages.

Please provide and verify your Recovery Email address to continue. You may change your Recovery Email address and Recovery Phone number at any time from your User Profile.

Recovery Email \*

Recovery Phone

\* required fields

# A verification email will be sent to your email

A one-time verification code has been sent to your Recovery Email address.

Please enter your verification code:

The image shows a standard Windows-style dialog box with a white background and a blue border. The text is in a sans-serif font. The 'Continue' and 'Cancel' buttons are rectangular with a light blue gradient and a dark blue border.

Once you enter your code you will be taken to your account

# Logging on with your PIV card

If you are working on a **VA** computer on the VA network, you can login with your PIV card

# Select "PIV Card" on the login page

**WARNING:**

This U.S government system is intended to be used by [authorized VA network users] for viewing and retrieving information only, except as otherwise explicitly authorized. VA information resides on and transmits to VA systems and networks. By using this system, you acknowledge your understanding and acceptance that there is no reasonable expectation of privacy for any data or transmissions on Government Intranet or Extranet (non-public) networks or systems. All transactions that occur on this system are subject to monitoring, recording, retrieving, copying, auditing, inspecting, investigating, restricting access, blocking, tracking, disclosing to authorized personnel, or any other authorized actions by VA. You agree to your understanding and unconditional acceptance of these terms.

Unauthorized attempts or acts to either (1) access, upload, change, or delete information on this system, (2) modify this system, (3) deny access to this system, or (4) accrue resources for unauthorized use on this system may result in criminal, civil, or administrative penalties.
