

RESEARCH FINANCIAL CONFLICT OF INTEREST STATEMENT

Department of Veterans Affairs

Why Must I File?	The duties and responsibilities of your position as a principal investigator, co-principal investigator, investigator (including a collaborator who has a VA appointment), study chair or site principal investigator (hereinafter "Investigators") require you to file a Research Financial Conflict of Interest Statement (Statement) to avoid involvement in a real or perceived conflict of interest. Federal employees are prohibited from participating personally and substantially in official VA matters affecting their own financial interest or those imputed to them. In addition, in research a real or perceived conflict of interest occurs when any financial arrangement, situation or action affects or is perceived to exert inappropriate influence on the design, review, conduct, results, or reporting of research activities or findings. This Statement is to assist employees to avoid a conflict between their official duties and private financial interests or affiliations. See VHA Handbook 1200.13.
When Must I File?	You must submit a completed, signed, and dated Statement: A. Prior to: ◆ Initial review of a study protocol in which you are listed as Investigator, ◆ Continuing review of a study protocol in which you are listed as Investigator, ◆ Your being added as an Investigator to a study protocol, OR B. When you have a change in relevant information that requires you to change an answer on Section I of the Statement to "yes" or that changes the reason for a "yes" answer. Note: The term "Investigator" includes: Principal Investigator (PI), Study Chair, Site PI, co-PI, or an Investigator, including a co-investigator or sub-investigator.
Who Will Review My Statement?	The Financial Conflict of Interest Committee or Financial Conflict of Interest Administrator, with assistance from the Office of General Counsel (OGC) when necessary, is responsible for reviewing the Statement to determine whether there are any actual or perceived conflicts of interest. The Statement may be reviewed by other VA personnel only on an "as needed" basis when required by the responsibilities of their positions. The information you provide will be used only for legitimate purposes, and will not be otherwise disclosed unless authorized.
What if I Have Questions?	Contact the facility research Financial Conflict of Interest Administrator or Committee designated by the facility's Director as responsible for the facility's research conflict of interest program or an OGC Deputy Ethics Official.
